

To Whom it May Concern,

I'm writing to let the FCC know I greatly enjoy listening to the K-LOVE radio network on FM 88.9 in Oklahoma City. This station serves me and my family spiritually, and does the same for many of my friends and associates. If K-LOVE were to be displaced by an LPFM broadcaster that provided other programming, my family and I would greatly miss the spiritual nourishment, as well as the listening enjoyment, that we receive from K-LOVE. I think the music K-LOVE broadcasts is an effective ministry and clearly in the public interest. I therefore strongly encourage you to prevent K-LOVE from being displaced by an LPFM broadcaster.

Thank you,
